	Industry				

- Only one application can be submitted per Spanish partner: additional submissions will be rejected.
- PI must be a senior researcher and have a contractual relationship with an eligible organisation.
- Research team members must have a contractual relationship/fellowship with an eligible organisation.

Excluded personnel as Principal Investigator (PI):

Eligibility of PIs and research members

- Those undergoing a postgraduate training in Health Specialisation.
- Those currently undergoing research training (e.g.

PhD students, or “Rio Hortega Programme”).

- Research personnel contracted by a RETICS or a CONSOLIDER.
- Those undergoing Post-doctoral training (e.g. “Sara Borrell” or “Juan de la Cierva” contracts).

Only expenses and invoices charged during the lifespan of the awarded grant will be accepted.

Personnel costs Hiring additional full-time or part-time technical personnel (i.e. those not part of the research team), is allowed (up to 3 years) only when the Spanish applicant is the transnational consortium coordinator.

*Students and fellows are not eligible.

Eligible costs

- Prefixed bulk cost (salary + taxes + social security, etc.) per annual full-time contract.
- Technical expert, higher degree: € 29,500.00
- Technical expert, medium degree: € 24,500.00
- Technical expert, FP II: € 20,500.00

Consumables and equipment

- Up to € 40,000.00
- Up to € 20,000.00 if the Spanish applicant is NOT the consortium coordinator.

Travel and allowance only applies to the project's research team:

- Up to € 10,000.00 if the applicant is the transnational consortium coordinator.
- Up to € 6,000.00 (devoted to dissemination of results, field studies and/or coordination of meetings) if the applicant is NOT the consortium coordinator.

Subcontracts

- Commissions (up to 50%).
- Subcontracting with private (Bio) companies and SMEs is permitted.

Overheads (ex officio): up to 21% of the project's total awarded costs.

Important: After the international evaluation has taken place, all Spanish applicants invited to the full-proposal stage, must submit the project proposal along other documents, via ISCIII's online submission tool. For more details, please contact ISCIII's national contact point.

National phase

Granted projects must state "Award nº XX by ISCIII through AES and EC within AAL framework" on any publication arising from it even after completion of the funded period

Earliest project start date

01/01/2016
