# How to Apply

The EACR Travel Fellowship Programme, co-sponsored by Worldwide Cancer Research, is designed to support early career researchers by providing funds for visits to centres of excellence, or to support attendance at specialised practical workshops and courses.

## Application tips:

- Read the Application Handbook carefully before applying
- Clearly explain how the project will benefit your research
- Provide a detailed financial breakdown
- Try to keep the funding proposal section to within 500 words
- Send all application documents in pdf format to speed up your application

## Eligibility checklist:

- ✓ EACR member for at least 1 year
- ✓ PhD student or less than 4 years postdoctoral career experience
- ✓ Project that will advance your research through technical exchange
- ✓ If you are based outside Europe, the planned visit must be to a country within Europe
