APPLICATION DEADLINE
JANUARY 15, 2018
PRIZE MONEY 20,000 EUR

Apply now for the Eppendorf Award for Young European Investigators 2018

Since 1995 the Eppendorf Young Investigator Award is granted annually to European researchers not older than 35 years, with an advanced degree, for outstanding contributions to biomedical research in Europe based on methods of molecular biology, including novel analytical concepts. The winner is selected by an independent expert committee chaired by Reinhard Jahn (Max Planck Institute for Biophysical Chemistry, Göttingen, Germany).

Selection criteria

1. Independent scientific work
2. Creativity
3. Successful practical application of research approach
4. Significance of research results for the field of medicine
5. Achievement of candidate in relation to his/her age

The 2018 winner receives

- > A prize money of 20,000 Euro
- > An invitation to the prize ceremony at the EMBL Advanced Training Centre in Heidelberg on June 21, 2018
- > An invitation to visit Eppendorf AG in Hamburg
- > Coverage of his/her work by *Nature* in print and online

Apply online as of Oct. 1, 2017, at www.eppendorf.com/award/application
