

Grants

SERVIER RESEARCH GRANT

The **Servier Research Grant in Hypertension** in the amount of €30 000 is awarded **every 2 years** for a research proposal in the field of hypertension and related diseases with a focus on end-organ damage, surrogate markers, and biomarkers. The next grant will be awarded in **2019**.

The committee of the **Servier Research Grant in Hypertension** is composed of internationally renowned experts in hypertension and related cardiovascular diseases. The winner will receive the grant from the President of the ESH during the award ceremony of the annual ESH Congress.

This initiative follows the Servier SNS Research Grant awarded from 2003 through 2007. There winners were

Dr Markus Schlaich (Australia), **Prof. Krzysztof Narkiewicz** (Poland) and **Dr Gino Seravalle** (Italy).

The winners of the **Servier Research Grant in Hypertension** are **Dr Konstantin Kotliar** (Munich, Germany) in 2011,

Dr Stefano Masi (London, UK) in 2013 and **Dr Sébastien Foulquier** (Maastricht, The Netherlands) in 2015.

The **Servier Research Grant in Hypertension** is limited to PhDs or MDs under 45 years of age on July 1 in the year of the award.

Applications should be sent to:

Prof. Giuseppe Mancia

giuseppe.mancia@unimib.it

Applicants must submit the following documentation:

- Curriculum vitae listing up to 10 representative publications in international peer-reviewed journals
- A full supporting statement from the head of the department where the research will be undertaken
- The proposal in English should be accompanied by a summary (one page) and a budget
