

Grant application form

Seeking ESC support for a scientific
PROJECT

Introduction

The ESC will provide funding to support an individual, group, institute or organisation with a project that has a scientific basis with a described relevant outcome(s) and is related to the aims of the ESC. Examples include: research into methods or provision of contraception, sexual and reproductive health; validated questionnaires to understand uptake or utilization of a method or procedure; or needs assessment within a community or locale.

The Internal Scientific Committee (ISC) retains the right to refuse an application if it feels the topic is not within the aims and objectives of the Society. For example, assisted reproductive technologies and projects on HIV / AIDs would not be considered acceptable.

Application

- Please use this on line application form. Note sections with a maximum word count. Forms will be returned if the word count is exceeded.
- If granted, the project **MUST** start within 12 months and **MUST** be completed within 3 years (if the project is to take longer, specific permission must be granted).
- A mentor will be allocated to each project. They are there to give advice if requested and will oversee progress.
- A short CV of the applicant (or the principal investigator) should be integrated into this application.
- If you or your department has been granted an ESC funded project or course before, this section of the form must be completed.

- Funding UP to a maximum of 10,000 euro per project can be requested. The money must be used for a definite project within a defined time period (usually up to 3 years) and with specified outcome measures. Part of the allocated funding is offered initially with the remainder being allocated on submission of an acceptable interim report(s). A final report **MUST** be sent to ESC within 6 months of completion.
- A detailed budget must be included in the application form. Example of costs include: staffing; involvement of a statistician; language editing; costs related to a questionnaire or obtaining relevant reference material. Costs for equipment may sometimes be accepted, dependant on reason given. Receipts may be requested.
- The ESC may not be in a position to fully fund all applications; you must indicate whether / how part funding may impact your project.
