

## Harrington Prize for Innovation in Medicine 2022 Nomination Guidelines

**Deadline for Nominations: August 27, 2021 at 11:59 PM EDT**

### Full Nomination Overview

Below is the list of sections you will be asked to fill out in your online nomination. To access and submit your online nomination, please log in to [HarringtonDiscovery.SmartSimple.com](https://HarringtonDiscovery.SmartSimple.com).

#### 1. Nomination & Nominator Information

#### 2. Nominee's Achievement

Include a 250-500 word description of the achievement notable for innovation, creativity and clinical application.

#### 3. Support Materials

- **Principal Investigator's Biographical Sketch**

Please follow the NIH format, but also include pending support, applications submitted or pending funded in Section D. If there is no pending support, state "Pending Support: None". Keep the biographical sketch to a five-page maximum, uploaded as a PDF.

- **Brief Bibliography**

Please list up to the ten best references.

- **Letter from the Nominee Regarding Speaking Engagements**

The nominee must write a letter confirming availability to lecture at the AAP-ASCI-APSA Joint Meeting on April 8 – 10, 2022, as well as the availability to attend and speak at the annual Harrington Discovery Institute Scientific Symposium on May 25-26, 2022.

- **Letter of Support**

Provide one letter of support from the dean, provost or president of the principal investigator's institution.
