

IBRO Travel Grants

Dec 22, 2021

The IBRO Travel Grant program aims to foster neuroscience research by providing support to early-career Ph.D. students and post-doctoral fellows ≤ 40 years of age (+ time taken for parental leave) from diverse geographical and scientific areas who wish to participate in international neuroscience meetings and events taking place between July-December 2022.

Eligibility Requirements:

- At least one letter of reference is required in order to be considered for this grant. Two is ideal.
- Applicants from the US must be current Neuroscience Scholars Program (NSP) Scholars or Associates to be eligible to apply.
- This grant is not open to applicants currently residing in Canada.
- Applications to attend the FENS Forum 2022 are ineligible via this call. Applications should be submitted directly via the [FENS/IBRO-PERC Travel Grants](#) call for applications, located on the FENS website, by February 22, 2022.

Application dates:

4 February to 4 March, 2022
