

## **Frick Foundation for ALS Research**

# **Starting grants in ALS basic research**

The Frick Foundation is looking for talented early-career scientists who have already produced excellent supervised work, ready to work independently and shows potential to be a research leader. Post-doctoral fellows are not eligible. Two researchers will receive 100,000 Swiss francs each that can be used over 2 years.

Researchers of any nationality with 5 years of experience since completion of their PhD, a scientific track record showing great promise and an excellent research proposal.

Research must be conducted in a public or private research organisation (known as a Host Institution/HI).
