Click here to view and complete the [Genetics Prize Nomination Form \(https://gruber.yale.edu/genetics-nomination-form#overlay-context=prize-nominations\)](https://gruber.yale.edu/genetics-nomination-form#overlay-context=prize-nominations).

INSTRUCTIONS:

Please follow all instructions, otherwise the nomination will be deemed incomplete and invalid.

- ☐ All materials must be submitted in **English**.
- ☐ Please provide **all** information requested on the form.
- ☐ Nominations must be accompanied by a curriculum vitae. PLEASE DO NOT ATTACH A FULL LIST OF PUBLICATIONS, as on the nomination form we request a list of one to five key journal references that illustrate the nominee's contributions to the field.
- ☐ Nominations must be accompanied by at least 2 letters of support from individuals outside of the nominee's own institution or research group, which must be written by someone other than the nominator (may be sent to the Foundation by nominator or by outside authors)
- ☐ Nominations need not be on the actual nomination form, but must be presented precisely in the order and format as prescribed on the form and be accompanied by all supporting documents.
- ☐ We prefer that all nominations are submitted electronically. In the event that this is impossible, please print and complete the [Genetics Prize Nomination Form \(/sites/default/files/files/GruberGeneticsPrize.pdf\)](/sites/default/files/files/GruberGeneticsPrize.pdf) and fax or mail it to the address below. Viewing the form requires the free [Adobe Reader - click for download page. \(http://get.adobe.com/reader/\)](http://get.adobe.com/reader/)

Nomination forms, curricula vitae, letters of support or any other documents related to a nomination may be emailed to [nominations@gruber.yale.edu \(mailto:nominations@gruber.yale.edu\)](mailto:nominations@gruber.yale.edu) if problems are encountered with the web-based nomination system.
