About

The EAACI Research Fellowships supports research and training of EAACI Junior Members (JMs) in another European country, fosters the exchange of knowledge and techniques and the implementation of new techniques throughout European laboratories. The work of EAACI JMAs will be highlighted through an increased publication activity and a dedicated event during the EAACI Annual Congress.

Eligibility	EAACI Junior Members (JMs)
Available Fellowship Types	<p>1. Long-term Fellowships at EUR 12,500 each – 6 month period Long-term Fellowships are intended to fund travel and living expenses for up to 6 months in a foreign European laboratory.</p> <p>2. Short-term Fellowships at EUR 5,000 each These fellowships intend to fund a 3 month research fellowships in a laboratory in another European country. Preference is given to specified acquirements of new techniques and establishment of collaborations.</p>
Fellowship schedule	All fellows have one year after the formal announcement to complete their fellowship, depending on the centres/fellow availability.
Final report	At the end of the fellowship the candidate must submit a report describing the activities undertaken, as well as feedback/suggestions. A brief report of the candidate would also be made by the Research Centre.
