

Research Grants – Short-Term Grants • DAAD

Overview

Objective

The primary aim of this programme is to promote research projects within the context of doctoral programmes.

Who can apply?

You can apply if you have above-average qualifications and

- you are doing your doctorate,
- you completed your Master's degree or Diplom, or in exceptional cases a Bachelor's degree, at the latest by the time the funding period begins, or
- you have already completed a PhD (postdoc).

You **cannot** apply, if you are doing your entire doctorate at a German university.

What can be funded?

The programme provides funding for a research project or course of continuing scientific education at a state or state-recognised institution of higher education or a non-university research institute in Germany, which is being carried out in coordination with an academic adviser in Germany.

Duration of the funding

- Funding is provided for one month to a maximum of six months. Please indicate in your application how long you wish to receive funding. The funding period will then be determined during the selection process by a selection committee. The committee takes into account your work plan.
- The grant is non-renewable.
- Please note in your time planning that the funded stays should be completed **by March 2024 at the latest**.

Value

- Depending on academic level, monthly payments of euros 1,200.- for doctoral candidates and postdocs euros 861.- if you are not yet taking a doctoral degree
- Payments towards health, accident and personal liability insurance cover
- [Travel allowance \[https://static.daad.de/media/daad_de/pdfs_nicht_barrierefrei/im-ausland-studieren-forschen-lehren/daad_reisekostenzuschuesse_stipendiaten.pdf\]](https://static.daad.de/media/daad_de/pdfs_nicht_barrierefrei/im-ausland-studieren-forschen-lehren/daad_reisekostenzuschuesse_stipendiaten.pdf)
- In the case of a disability or chronic illness: subsidy for additional costs which result from the disability or chronic illness and are not covered by other funding providers: [Further information \[https://www.daad.de/en/the-daad/mobility-with-a-disability/\]](https://www.daad.de/en/the-daad/mobility-with-a-disability/)
- Green Mobility Top Up (Support for climate-friendly travel) or partial reimbursement of carbon offset payments for air travel

Selection

An independent selection committee reviews applications.

Central selection criteria are:

- a convincing and well-planned research or training project

- academic achievements

Furthermore, additional documents submitted that prove the applicant's professional aptitude or provide information about extracurricular commitment will also be included in the evaluation.

The selection committee also gives due consideration to equal opportunities; you can provide relevant information in the application form.

For more information on the selection procedure, go to [Important Scholarship Information \[https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/\]](https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/) / Section E.

Application requirements

What requirements must be met?

Please check if the following criteria are fulfilled:

- As a rule, applicants should not have graduated any longer than six years before the application deadline.
- If you have already started your doctorate, it also applies that the start of the doctorate should not be longer than 3 years ago.
- If you already hold a doctoral degree, you should not have completed your doctorate more than four years ago.

Please also read our [Important Scholarship Information \[https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/\]](https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/) / Section A, point 2.]

You **cannot** apply, if you have been resident in Germany for longer than 15 months at the application deadline cannot be considered.

Note:

For applicants from the fields of human medicine, veterinary medicine and dentistry, other regulations are applicable. Please refer to the leaflet "Additional information on DAAD Research Grants for applicants from medical fields" (www.daad.de/extrainfo [<http://www.daad.de/extrainfo>]).

- [list]Applicants from third countries or German applicants, who live in a foreign country, are asked to get in touch with the responsible branch office or section within the DAAD before they hand in an application to discuss possible special application requirements.

Language skills

- A German language certificate is not required. Though we assume that the applicant has contacted the German host institute in advance to make sure that the applicant will be able to communicate with his/her colleagues, e. g. in English.

Application Procedure

Application documents

Certificates, proof of credits, certifications and translations may be scanned in non-certified form and uploaded to the DAAD portal. The DAAD reserves the right to request certified copies of the documents.

Documents to be uploaded to the DAAD portal:

- Online application form
- Full curriculum vitae in tabular form (max. 3 pages)
- List of publications (max. 10 pages), if applicable
- Description of academic and personal reasons for your planned project in Germany (letter of motivation: 1-2 pages), taking account of the following question: What do you hope to gain from your project in Germany (personally, professionally, for your career)?
- A proposal, prepared and formulated by yourself, as well as a description of previous research work (max. 5 pages with max. 3.000

characters without spaces per page plus 2 pages of graphics if necessary). A proposal is an extensive and detailed description of the research project which has been discussed with the academic adviser. Please also read our [Important Scholarship Information / section B, point 2 \[https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/\]](https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/).

- Schedule of planned research work
- Confirmation from the academic host in Germany; the confirmation must refer to your project and guarantee that the host institute in Germany will provide you with a workplace. Please also read our [Important Scholarship Information \[https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/\]](https://www.daad.de/en/study-and-research-in-germany/scholarships/important-information-for-scholarship-applicants/) / section C, point 3.
- University degree certificate indicating final grade(s): the certificate must be subsequently submitted before the grant-supported research begins if it is not available at the time of application.
- Other documents which support your application (example: certificates of employment, proof of practical training/internships, etc.)
- All university certificates on all annual examinations with individual grade(s), incl. explanation of grading system.
- German or English translations of documents submitted in the national language (to be uploaded with the corresponding documents)
- Proof of admission to a doctoral programme at the home university insofar as the applicant intends to take a doctoral degree there

To be submitted by post:

One recent reference from a university teacher which provides information about your qualifications (hand-signed, no digital or scanned signature). Please regard the instructions given on the tab "Submitting an application".

The application procedure occurs online through the DAAD Portal.

Please note that the access to the application portal only appears while the current application period is running. After the application deadline has expired, the portal for this programme is not available until the next application period.

To apply, please select the call for applications for this programme in the scholarship database (www.funding-guide.de). From here, you can enter the portal by clicking the tab "Submitting an application".
