

# National Glaucoma Research Request for Proposals

## Grant Details

BrightFocus provides research funds for U.S. and international researchers pursuing pioneering research leading to greater understanding, prevention, and treatment of glaucoma.

BrightFocus is committed to supporting scientists from diverse backgrounds to foster creativity and innovation in addressing complex scientific challenges. We strongly encourage applications from individuals who are from groups underrepresented in the field of glaucoma research.

The NGR program offers two types of awards:

## Standard Awards

The standard award provides significant funding for researchers who have already generated some amount of preliminary data, but are often required to demonstrate additional, significant progress before they can apply to governmental or industrial funding agencies.

- Award Amount: \$200,000
- Duration: 2 years

## Postdoctoral Fellowship Awards

Postdoctoral fellowship awards are intended for young researchers in their final stages of mentored training. These awards fund projects in an established laboratory that will serve as the basis for the applicant's own independent research career.

- Award Amount: \$150,000
- Duration: 2 years

## Full Proposal Deadline

October 31, 2023

**Apply**

DAYS HOURS MINUTES

**Full Applications FY24**

Due October 31, 2023

**Note**

All deadlines are 5:00 p.m. EST (Washington, D.C.) on the day of the deadline.
